

## Steelhead

### *8 Great Reasons to Choose Eagle Rock Charters*

1. Full-time charter service. We spend 1500 hours a year on the water.
2. Very short running times to fishing grounds.
3. Cleaning & packaging of your catch included.
4. All gear and tackle provided including custom made noodle rods from Diamond-back, St. Croix and G. Loomis.
5. Field tester for Cortland Line.
6. 27 ft. charter boat with hard top and private bathroom.
7. Pollution free waters; no lost days from wind.
8. 4 stroke trolling engine, which eliminates all fumes and noise.

# EAGLE ROCK CHARTERS

## Cayuga Lake

### *Light Tackle Specialist*

Pollution Free Waters  
No Days Lost to Wind

**(315) 889-5925**

**Atlantic Salmon**

**Rainbow Trout**

**Brown Trout**

Your captain has spent the last 25 years as a full time fishing guide, and pro staffer for Cortland Line & Diamond back Rods. During this time he has set three line class world records and became a member of the prestigious 5 to 1 club (5 pounds of fish to every one pound test line). Glenn's wood handled custom rods match you with ultimate in light tackle sport fishing.

## **Eagle Rock Charters Bed & Breakfast**

For your added convenience we offer our Bed & Breakfast. Located just 3.5 miles from the boat, **Eagle Rock Charters B&B** is a 100 year old, 5 bedroom farmhouse on an acre lot, overlooking Cayuga Lake. The simple beauty of its cherry and pine planked flooring, chestnut cabinetry, and family room with fireplace make a homelike atmosphere.

**Mary Kay and Glenn**, your hosts, are both outdoor enthusiasts and have decorated the house with the sportsperson in mind. A large dining room, living room, modern kitchen, and two full bathrooms complete the setting. We welcome families, offering a discount for families with children. Check out time is liberal, feel free to return after your charter to shower and relax, or stay another night. Several excellent restaurants are only a short distance away.

The boat "**Eagle Rock II**" is a twin engine 27 foot Baha Cruiser with a 9-1/2 foot beam. Under her hardtop there is cushioned back rest seating for eight, a full stand up cabin with private head. "**Eagle Rock II**" is a fishing machine with all the comforts of home.

Our season runs year 'round. We fish Cayuga Lake from May – October, and the streams in New York and Ohio for steelhead in March and April and then again in the fall from October – December.
